### ***EMS Corner***

#### **IF YOU NEED EMS, FIRE OR POLICE – CAN WE FIND YOU?**

Response to a 9-1-1 call by emergency services sometimes can be delayed if we are unable to find your location. It is important that you take two simple steps to make your house visible to first responders.

First, your house number should be clearly displayed. The town does have an ordinance, #TC10-222, that stipulates numbers should be affixed to the dwelling, mailbox or lamp post. Numbers should be large enough for easy daytime visibility and reflective for night time vision. Take time to look at your house and check the visibility of the numbers. If you can't see them, neither can we!

Second, turn your outside lights on. This not only helps us locate your house but also assists us by illuminating driveways, walkways and steps.

### **FLAG DAY IS MONDAY JUNE 14, 2010 - FLAG ETIQUETTE**

#### **When the flag is not flown from a staff, how should it be displayed?**

It should be displayed vertically, whether indoors or out, and suspended so that its folds fall free as though the flag were staffed. The stripes may be displayed either horizontally or vertically against a wall, the union should be uppermost and to the flag's own right; that is, to the observer's left. When displayed in a window of a home or a place of business, the flag should be displayed in the same way; that is, with the union or blue field to the left of the observer in the street.

#### **Conduct during playing National Anthem**

During rendition of the national anthem when the flag is displayed, all present except those in uniform should stand at attention facing the flag with the right hand over the heart. Men not in uniform should remove their headdress with their right hand and hold it at the left shoulder, the hand being over the heart. Persons in uniform should render the military salute at the first note of the anthem and retain this position until the last note. When the flag is not displayed, those present should face toward the music and act in the same manner they would if the flag were displayed there.

**The public must become a partner with law enforcement, and**  
***If you see something, say something.*** In Connecticut, the toll-free number  
to call if you see anything suspicious is **866-HLS-TIPS (866-4578477).**

### **If You See Something, Say Something**

Recent events involving the failed New York City Times Square bombing and the local connections to the accused bomber, Faisal Shahzad, highlight the importance of reporting suspicious activity to police. The Pakistani-born man had ties to Bridgeport and Shelton and may have obtained the vehicles and other bomb-making materials in our local area.

The vigilance of all residents will keep Trumbull safe, and police remind everyone to:

- Be wary of suspicious behavior, including persons or vehicles.
- Take notice of people in bulky or inappropriate clothing.
- Be alert to unattended packages in public places.
- Report exposed wiring or other irregularities on public transportation.
- Report anyone tampering with surveillance cameras, security equipment or entering unauthorized areas.

And remember, if you see something, say something. Alert a police officer or other official, or call Connecticut's 24-hour Terrorism Tips hotline: 866-HLS-TIPS (1-866-457-8477).

### ***Calling 911***

Most people know to call 9-1-1 in an emergency. Few people know what to expect and what to do once the dispatcher answers the phone.

When calling 9-1-1 for a police, fire or medical emergency follow these simple tips to ensure help is sent to the correct location as quickly as possible.

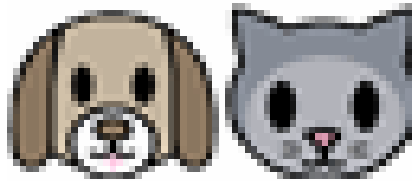

Stay calm.

Speak clearly and slowly.

Provide your location. You may also be asked to repeat it for verification. An accurate location is essential to receiving the service you need.

Provide your phone number. This will allow the dispatcher to call you back in the event you are disconnected, or if they need additional information. Answer any additional questions. Follow directions and complete tasks as asked.

Stay on the phone until the dispatcher say it is okay to hang up.

### ***Save the Date!!***

On Saturday, June 5, 2010 from 12 noon to 2 p.m. the Animal Control Officer and the Town Clerk's office will sponsor their annual rabies clinic for cats and dogs at the Town Garage on Church Hill Road. (This is located before Middlebrooks Avenue on the left as you head up the hill.)

Cost will be \$20.00. Dogs must be on a leash and accompanied by their owner. Cats should be in a carrying case.

Licenses will be available at that time also. Cost is \$8 for a dog that is neutered or spayed, and \$19 for an unaltered dog. Make checks payable to the Trumbull Town Clerk.

### ***Tag-It or Ticket!***

As of June 1, dogs may be licensed in the Town Clerk's office with proof of rabies vaccination/neutering/spaying certificate for the 2010-2011 license year.

The Animal Control Officer has asked us to remind you that there is a \$75.00 fine for unlicensed dogs.

### **Hazardous Waste Collection**

Trumbull and Monroe will sponsor a hazardous waste collection, on Saturday, June 26<sup>th</sup>, at the Commuter Parking Lot at the corner of Routes 111 and 25. The collection will begin at 9 am and end at 2 pm.
